About Us

Khushi Educational And Social Trust

is a voluntary organization working towards bringing a change for the betterment of under privileged women and children through the most powerful medium, that of education.

“To dutifully serve the society that we live in is true social service”. Khushi Trust is the result of coming together of socially conscious persons who firmly believe in this ideology.

Khushi Educational And Social Trust was registered under The Bombay Public Trust Act 1950 in 2007.

Our vision is to play an active role towards building an educated, socially aware, self-reliant and a healthy society.

Our Purpose

While we have been working with the children through different projects for the last sixteen years, this is the ninth annual report of Khushi Trust. The Trust has been working towards the upliftment of selected class of children through various projects and educational programs. Our efforts are to develop the personality of the children and build self-confidence in these children so that they can join the main stream with their heads held high.

The teachers and the principals of the schools are an inseparable part of all our projects and programs. Their co-operation and participation is vital to the success of our projects and achievement of our objectives. We have reproduced some of the feedback and experiences of the teachers and principals of the schools where we have conducted our programs. These feedbacks are our support and certificates of our success.

This is a brief account of our work in the academic year 2015-16. We are pleased and proud to present this report for your perusal.

Body Literacy Project

Growing children reaching adolescence go through changes in their body, mind and emotions which leave them confused at times. This project is a medium to reach out to them at this critical stage in their life. This is the fourth year of our project. We were able to reach 5,179 students between the academic years 2013-14 to 2016-17 through this project. We have limited this outreach to girl students of Class 9th only.

असे प्रमाणित करण्यात येते की, 'शारीर साक्षरता प्रकल्प' यांच्या माध्यमातून विवेक विद्यालयामध्ये इ.९ वी व १० वी च्या विद्यार्थीनींकडीत विशेष शिक्षितांचे आयोजन करण्यात आले होते. विशेषतः किशोरवयीन मुलींना वयावुरूप निर्माण होणारे संभ्रम व शंका याबद्दल सकारात्मकतेच्या पद्धतीने आतिशय चांगल्या पद्धतीने मार्गदर्शन केले. सकारात्मक शिक्षितात एकूण ५९ विद्यार्थीनी व शिक्षिका हजर होत्या. आपला हा उपक्रम आतिशय उत्तम असून आपल्या पुढील कार्यासाठी शुभेच्छा!

स्त्री-पुरुष समानता, शारीरिक-मानसिक बदल, लैंगिक शोषण, आहार, स्वच्छता अशा अनेक मुद्द्यांद्वारे आवश्यक माहिती मुलीपर्यंत पोहोचण्यात आली. या माहितीचा मुलींना समाजात वावरताना फायदा होईल व येणाऱ्या समस्यांना तोंड देता येईल. असे मार्गदर्शन दरवर्षी आमच्या विद्यार्थ्यांसाठी करावे हि विनंती.
